

The Elite Advantage

•**Knowledge & Experience** *Elite Kitchens* is a family-owned business, providing creative kitchen design, quality products and customer service for over 28 years. Photographs in our literature and website are actual projects we helped create. Once we know what you'd like, we consider the space you have, look with trained eyes and create a preliminary design.

•**Individual Attention** The showroom is open Monday through Friday, 8:00 am to 5:00 pm, with other times available as needed. Customers visit by appointment, assuring our undivided attention. Together, we design a room just for you without noise, distraction, or stress.

•**Ingredients** We offer a large selection of cabinets that look great on the outside and work hard on the inside. Add a countertop of your choice, and select time-saving accessories, helpful organizers, and decorative accents to compliment any taste or style.

•**Affordable** Why settle for the kind of kitchen you can pick up at a big box store? You'll be amazed at the quality and style you can afford with *Elite Kitchens*!

•**Reliable** From start to finish, we strive to ensure your project runs smoothly and efficiently. Your cabinets are received and inspected in our facility, then blanket-wrapped and delivered to your home on our truck by our professional employees.

•**Service** We won't leave once the table is set! We'll be available for service and support throughout the project and after installation as well. We work with you and your contractor to make sure the move into your new kitchen is enjoyable and stress-free.
